## *Identification of ethical issues*

*Please, complete the ethical issues table, even if you believe that there are no ethics issues (Choose "YES" or "NO".).*

*All ethical issues raised by a proposed project must be described in the project outline. The applicant should explain how these will be addressed, so as to conform with national and, for Marie Curie Fellowships, with Seventh Framework Program (FP7) ethical principles. For advice, please see the CORDIS website on ethics (http://cordis.europa.eu/fp7/ethics_en.html). Further detailed information on identifying and dealing with ethics issues is provided in the "Guide for Applicants - Marie Curie Actions (Ethics)".*

*All applicants proposing projects which raise ethical issues shall be given the opportunity to carry out an ethics review through the university's ethics commission. **Alert to ethical issues does not diminish the applicant's success rate!***
