

How to find us by train and on foot

Freiburg lies on the main railway line between Basel in the south and Frankfurt/Main in the north. It is roughly 45mins from Basel SBB (Swiss station) and roughly two and a half hours from Frankfurt. (For train details from Frankfurt airport please read "How to find us by airplane".)

The walk from the station to FRIAS takes ca. 15 minutes. When leaving the station at the main exit, turn left and walk along Bismarckallee. Stay on Bismarckallee respectively Stephan-Meier-Strasse until you reach the intersection with Albertstrasse (ca. 200m). Turn right into Albertstrasse and continue to the intersection with Katherinenstrasse. FRIAS (Albertstr. 19) is on your left on the northeast corner of this intersection.
