

MOSS 2011

**Black Forest,
Sep 11th – 14th**

<http://plantco.de/MOSS2011>

The annual meeting on bryophyte research

The scientific program will consist of contributed oral and poster sessions featuring all aspects of contemporary research on bryophytes. Traditionally, most presentations are connected to the model moss *Physcomitrella patens*, but contributions dealing with other bryophytes are highly welcome.

Registration deadline: August 15th

Preliminary Program

Sunday Sep 11th

Bus shuttles from Freiburg main station to venue (Herzogenhorn, 1400mtrs)
